Message from Athletics Australia

The Athletics Australia Handbook of Records and Results is the definitive guide to Australian athletics statistics, and is a valuable tool for all statisticians, media, athletes, coaches, administrators, and those with a general interest in athletics. This publication includes results, records and rankings for 2004 and 2005, and is the 54th and 55th year of issue for the Handbook.

President's Message

As the newly appointed President of athletics in Australia, I am very much looking forward to working with my fellow Directors and Management Team at Athletics Australia to rebuild the sport of athletics in this country.

It was a busy 2004-2005, which included an AA/ASC Review into the sport and resulted in many organisational and operational changes. A key focus for me is to oversee the implementation of the sports Operational Plan, which is critical to the development of athletics as a vibrant and successful sport in Australia.

Looking forward, we have an exciting domestic season in 2005-2006, with the introduction of several National Series meets and the pinnacle of the domestic competition, the Telstra A-series culminating at the Telstra Australian Athletics Championships and Selection Trials. Then of course we have the biggest event on Australia's sporting calendar when athletics returns to the MCG for the first time in 50 years, the 2006 Melbourne Commonwealth Games. Our athletes will have to show extraordinary feats of physical and mental endurance to chase Commonwealth Games selection with the team expected to be the biggest Australian athletics team ever.

We are certainly looking forward to much success at the Commonwealth Games with some likely come-backs, several athletes having one last concerted effort before hanging up the spikes and an incredible group of juniors coming through to lead us to the Beijing Olympics in 2008 and beyond. Last season the juniors really stood up to be noticed with many challenging senior athletes and taking out various Australian titles in tough competitions. It's these talented juniors, which makes the future of athletics in this country very promising.

The IAAF continues to recognise Australia's contribution to world athletics and have rewarded Australia with World Athletics Tour status for the Melbourne meet on 9th March 2006. This in a year when the IAAF reduced what was previously called the Grand Prix series from 34 to 24 and Australia being the only Oceania country to have an event in the world series.

Thank you to all our sponsors and supporters, especially our principal sponsor Telstra, who has supported athletics for many years and continues to be a fantastic supporter of sport in Australia. Thank you also to our new clothing sponsor ASICS, and to Musashi, Accor, Pitcher Partners, SBS, the Australian Sports Commission, the Australian Olympic Committee, the Australian Paralympic Committee and the Australian Commonwealth Games Association.

I wish all athletes, their coaches, family and supporters all the very best for their athletics goals.
