THIRD SITTING.

Held at the Albion Hall, Elizabeth Street, Hobart, on Saturday evening, 29th February, 1908.

The Hon. Secretary called the roll, and there were present: Messrs. R. Coombes (N.S.W.) in the chair, E. S. Marks (N.S.W.), J. E. Green (N.Z.), H. Henderson (N.Z.), R. H. Croll (Vic.), W. Ferguson (Vic.), A. B. Howell (Tas.), E. A. Brooke (Tas.)

On the motion of Mr. G. Crawford (Q.), seconded by Mr. A. B. Howell (Tas.), the Rules of Walking, as suggested by the Sub-Committee, were adopted.

The Rules as amended read :—

Walking.

DEFINITION.—Walking is a succession of steps, and in contradistinction to running (wherein both feet may be off the ground at the same time), in walking there must always be contact with the ground with some portion of one of the feet.

RULES.—In track races, the following code of rules governing walking must be adhered to, or else disqualification will ensue :—

(a) **Leg Action.**—As the foremost foot in taking a step touches the ground the knee must not be bent. The heel must touch the ground first, and the toe be the last portion of the foot to leave it. It is imperative that the heel of the foremost foot must touch the ground before the toe of the other foot ceases to have contact with it.

(b) **Carriage of Body.**—The body must be kept strictly upright.

NOTE.—Discretionary power is given to the judge or judges of walking to decide whether, in the event of the body being inclined forward, such attitude is the result of fatigue, or arises from some cause beyond the control of the competitor; and if it be, and he or they are convinced that the rule has been broken for such reason only, and that the competitor is still walking fairly otherwise, disqualification need not necessarily follow from this cause alone.

(c) **Carriage of Arms.**—The arms may be held in any way the walker likes, but it is advised that they be carried well up.

DUTIES OF JUDGES.—The judge or judges of walking shall determine the fairness or unfairness of walking in accordance with the foregoing rules, and any one of them may disqualify a competitor, and his decision shall be final and without appeal. He or they shall determine what caution, if any, shall be given the competitors, but shall immediately disqualify any competitor when walking unfairly during the last 440 yards of a race. He or they shall control his or their assistants, and assign to them such duties as may be deemed proper.

A disqualified competitor must at once leave the track.

Alterations to Racing Laws.

The following alterations were made to the Racing Laws of the Union :—

Rule 10, section (b) Broad or Long Jump—In clause *re* a foul jump, after the word "body" in the fifth line, add the following—"or takes off on either side of the joist."

Rule 12—Throwing the 56lbs. Weight.—Substitute "7 feet circle" for "9 feet circle."

Rule 13—Throwing the Discus.—Substitute "7 feet circle" for "9 feet circle."

Rule 13—Throwing the Discus.—*Re* fair throw, amend rule to read:—"A fair throw shall be where no part of the person of the competitor touches the guard board, the circle, or the ground outside the circle. A throw declared 'foul,' or letting go the discus in an attempt, shall be counted as a trial throw without result."

Throwing the Hammer—Rule 11, page 29—Delete words "Crossing the scratch line shall count as a try," and substitute "A fair throw shall be where no part of the person of the competitor touches the top of the guard board, the circle, or the ground outside the circle. A throw declared 'foul,' or letting go the hammer in an attempt, shall be counted as a trial throw without result."

Putting the Shot—Page 20—Delete words "In Putting the hand shall be above and not behind the shoulder," and substitute "In making the attempt the hand must be kept in front of, and not at any time brought behind the shoulder." Also add the words "A fair putt shall be one in which no part of the person of the competitor touches the top of the guard board, the circle, or the ground outside the circle. A putt declared 'foul,' or letting go the shot in making an attempt shall be counted as a trial putt without result."

The Executive were empowered to amend the rules governing Throwing the Discus, so as to provide for the adoption of the "Greek" as well as the present "Free" style, and submit the amendment to the different affiliated Associations for their consideration.

Further consideration was given to the application of the New Zealand A.A.A., for the performance of
