AUSTRALIAN CHAMPIONSHIPS OF 1957-58

The biennial 10,000 Metres Track Walking Championship of Australia was held at Olympic Park Melbourne on June 29th, 1957, and the biennial 10,000 Metres Cross-Country Championship of Australia at St. Lucia, Brisbane on August 24th, 1957. For the Walk, fine and sunny weather with a medium northerly breeze was experienced, but competitors in the Cross-Country Championship had to contend with very warm weather and a hot north wind.

For the First Day of the Track and Field Championships at Brisbane Exhibition Grounds on March 15th, 1958, the weather was fine with a very light wind, though the track was slightly heavy from an overnight thunderstorm. The Second Section of the Championships, held under electric light on March 17th, was marred by sodden tracks, the result of intermittent heavy showers throughout the day.

Brisbane was unable to provide steeplechase facilities, and the 3,000 Metres Steeplechase Championship of Australia - the first to be held - was run at the Sydney Athletic Field at a twilight meeting on March 13th, 1958. Sydney was the venue also, on March 23rd, 1958, of the biennial Marathon Championship of Australia which started and finished at the Sydney Athletic Field. This event would have been held normally about the month of September, but was brought forward to serve as an Empire and Commonwealth Games Selection Trial. The race was marred by very hot weather, all but five competitors failing to complete the course.

AUSTRALIAN RANKING LISTS FOR 1957-58

The listings which follow cover the period from April 1st, 1957 to March 31st, 1958. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4) (g) have been, as far as possible excluded.

Each List shows the first ten Best Performances in the event. The number of individual athletes may thus vary from one (e.g. Discus Throw) to ten (e.g. Decathlon), or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the Twenty (in some cases Ten) Best Performances in the event.
