AUSTRALIAN CHAMPIONSHIPS OF 1961-62
-------------------------------------

The biennial 10,000 Metres Track Walking Championship of Australia - the last of a series inaugurated in 1950, as it will be replaced in 1963 by a 20 Kilometres Road Walking Championship - was held at Redcliffe Showgrounds, Queensland on July 22, 1961. The weather was fine and warm.

Sydney was the venue for the 1961 10,000 Metres Cross-Country Championship of Australia which was run on August 26 at Centennial Park. The testing course was made doubly so by its waterlogged condition, and heavy rain fell during the running of the race.

The 1962 Track and Field Championships of Australia were held on March 17 and 19 at Sydney Athletic Field, New South Wales, and were favoured by fine and pleasant weather. The Meeting of March 19 was held at night under electric lights. The cinder tracks and runways were in generally good condition.

The Track and Field Championships were followed on March 20 and 21 at Sydney Athletic Field by the Decathlon Championship of Australia.

AUSTRALIAN RANKING LISTS FOR 1961-62
--------------------------------------

The listings which follow cover the period from April 1st, 1961 to March 31st, 1962. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4) (g) have been, as far as possible, excluded.

Each list shows the Ten Best Performances in the event. The number of individual athletes may thus vary from on to ten; or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the Twenty (in some cases Ten) Best Performers in the event.
