AUSTRALIAN CHAMPIONSHIPS OF 1962-63

The biennial Marathon Championship of Australia was held on August 11th 1962 at Perth, Western Australia over the course subsequently used for the British Empire and Commonwealth Games event. The weather was fine, the temperature being slightly under 60°.

Sydney was the venue of the 1962 50 Kilometres Road Walking Championship of Australia which was held at Centennial Park on the 8th September. Though the weather was fine, competitors were hampered by a strong wind.

Adelaide was unable to provide Steeplechase facilities, and the 3000 Metres Steeplechase Championship of Australia was held on the 2nd January 1963 in cool and cloudy conditions at Olympic Park, Melbourne.

The 1963 Track and Field Championships of Australia were held on March 23rd and 25th at Thebarton Oval, Adelaide, and were favoured by fine and pleasant weather. The Meeting of March 25 was held at night under electric lights. The well prepared grass tracks and runways were conducive to good performances. Junior Championships were conducted for the first time, there being six oddly assorted events.

The Track and Field Championships were followed on March 26 and 27 at Thebarton Oval by the Decathlon Championship of Australia.

<p style="text-align: center;">AUSTRALIAN RANKING LISTS FOR 1962-63</p>

The listings which follow cover the period from April 1st, 1962 to March 31st, 1963. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4) (g) have been, as far as possible, excluded.

Each list shows the Ten Best Performances in the event. The number of individual athletes may thus vary from one to ten; or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the Twenty (in some cases Ten) Best Performers in the event.

In a case where a Ranked Performance, other than one coming within the Ten Best Performances, has been later equalled during the period by the same athlete, only the Original Performance has been listed.
