AUSTRALIAN CHAMPIONSHIPS OF 1963-64

The first biennial 20 Kilometres Road Walking Championship of Australia, which replaced the 10,000 Metres Track Walking Championship, was held at Albert Park, Melbourne on July 27, 1963. Though the weather was fine and sunny, competitors were hampered by a cold wind.

Adelaide was the venue for the 1963 10,000 Metres Cross-Country Championship of Australia, which is held biennially. It was run at St. Mary's Recreation Reserve on the 24th August. The weather was cold with a variable wind. Light rain fell before the race.

The 1964 Open and Junior Track and Field Championships of Australia were held on March 21 and 22 at Olympic Park, Melbourne, and were favoured by fine and sunny weather, rather warm on the second day. Events conducted on the straightaway had a slight opposing wind on the first day, and a somewhat stronger assisting wind on the second day.

The Track and Field Championships were followed on March 23/24 at the same venue by the Decathlon Championship of Australia. This event was slightly marred on the second day by a couple of heavy rain showers.

AUSTRALIAN RANKING LISTS FOR 1963-64

The listings which follow cover the period from April 1st, 1963 to March 31st, 1964. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4) (g) have been, as far as possible, excluded.

Each list shows the Ten Best Performances in the event. The number of individual athletes may thus vary from one to ten; or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the Twenty (in some cases Ten) Best Performers in the event.

In a case where a Ranked Performance, other than one coming within the Ten Best Performances, has been later equalled during the period by the same athlete, only the Original Performance has been listed.
