AUSTRALIAN CHAMPIONSHIPS OF 1965-66

Centennial Park, Sydney was the venue for the biennial 20 kilometres Road Walking Championship of Australia, which was held on the 19th June 1965 in mild and calm weather.

The biennial Cross-Country Championship of Australia was held on the 21st August 1965 over a two-lap course from Perry Lakes Stadium, Perth comprising grass land, bush track and some sand. The weather was cloudy with a fresh south-west wind.

The 1966 Track and Field Championships of Australia were held on March 26th and 27th at the fine Perry Lakes Stadium, Perth - the scene of the British Empire and Commonwealth Games of 1962 - and were favoured with fine and sunny weather, rather hot on the second day.

The Track and Field Championships were followed on March 28th and 29th at the same venue by the Decathlon Championship of Australia. The weather was fine and sunny.

AUSTRALIAN RANKING LISTS FOR 1965-66

The listings which follow cover the period from April 1st, 1965 to March 31st 1966. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4) (g), have been, as far as possible excluded.

Each list shows the Ten Best Performances in the event. The number of individual athletes may thus vary from one to ten; or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the twenty (in some cases Ten) Best Performers in the event.

In the case where a Ranked Performance, other than one coming within the Ten Best Performances, has been later equalled during the period by the same athlete, only the Original Performance has been listed.

The maintenance of the year-by-year comparison table at the head of each track event has been complicated this year by the fact that some but not all of the State Associations have switched from English to metric distances for their main competitions.
