AUSTRALIAN INTERNATIONAL RECORDS

At its 1969 Annual Conference, the Amateur Athletic Union of Australia decided to create an official list of what are designated Australian International Records. An Australian International Record is one established under I.A.A.F. Rules in a country other than Australia by an athlete who was either born in Australia or who has resided in Australia for at least three years prior to the date of performance claimed as a record, provided that such performance must be equal or superior to the corresponding Australian National Record.
