AUSTRALIAN RANKING LIST - 1/4/1988 TO 31/3/1989

Compiled by:

Paul Jenes, AAU Statistician and member of Association of Track and Field Statisticians (ATFS)

This season's ranking list has a shorter all-time list as it is hoped that a more in-depth ranking list can be published separately at a later date.

I have incorporated performances made by women in men's races in the rankings as many of these performances have been timed accurately.

International conversion factors are used to rank manual and electronic performances together - 100m, 200m, 100H (0.24 secs), 400m, 400H (0.14 secs).

The new multiple events scoring tables now take into account the difference in manual and electronic times. The letter 'm' denotes manual times.

I wish to gratefully acknowledge the following people for sending results: Margaret Turnbull (WA), Fletcher McEwen and Roy McFadden (SA), Nancy Vodden, Margaret Toohey, Michael McLaughlin, Mark Donahoo and Sharon Schnyder (Vic), Brian Roe, Pat Millar and Mike Stevenson (Tas), Dave Cundy, Peter Waddell, Bill Bailey and Ken Miller (ACT), David Tarbottom (NSW), Daryl Cross (Qld), New South Wales, Queensland and Victorian State Associations, Merv Kemp, Pat Clohessy and Craig Hilliard (AIS), VMC, Bruce McAvaney and Len Johnson (Media), Ted Paulin (Budget Marathon).

Overseas results are obtained from the IAAF, ATFS, Official results, Team Managers, International and Local athletic publications.

I also wish to acknowledge the many venue recorders throughout the country and apologise to anyone whom I may have overlooked.

Could any errors, omissions, amendments, etc. be sent to:
